

CEO AND CO 2022

WINTER SLEEP OUT

This year we are hosting the CEO and Co Winter Sleep Out to support the **Blacktown Women's and Girls' Health Centre**.

BWGHC is a community-based centre which provides accessible health and wellbeing services for women and girls in Blacktown LGA regardless of their income.

They provide emergency crisis intervention and support for women and children, including domestic violence counselling/case management, emergency backpacks, food, overnight accommodation and transport to and from destination then back to the centre for further assistance. Women and children going through Domestic and Family Violence are at risk of homelessness which is a huge factor that may impact their wellbeing.

Please register for the night and/or donate to **help reach our fundraising goal of \$40,000**.

THURSDAY 23rd JUNE

WORKERS BLACKTOWN

START TIME: 6PM | FINISH TIME 7.30AM
